Collectible California Cabernet

By Karen MacNeil

2016 ESTATE CABERNET SAUVIGNON

95 PTS

To call them more feminine might be risky, but the great Sonoma Cabernet Sauvignons have a velvetiness that's so hedonistic you feel as though someone just wrapped you in a cashmere blanket. Cornell, a breathtaking property in the Mayacamas Mountains, is owned by ex-Goldman Sachs executive Henry Cornell who spent years patching together pieces of virgin land in the mountains. The classically structured wines are overseen by Françoise Peschon (also Accendo) and they flow with slow mesmerizing savory, earthy and red fruit flavors.
