2020 CHARDONNAY

Each new harvest of Chardonnay is a blank canvas, primed for the winemaker's thumbprint. Our team's radically modest approach yields a pure and expressive wine of astounding varietal character. Tread lightly, with reverence for the fruit, and this classic noble grape is a refreshing revelation. Chardonnay as it was meant to be savored.

The 2020 Chardonnay is a breezy, effortlessly striking wine that captures our attention with aromas of crisp pear, white tea, and lemon patisserie. On the palate, key lime and lush white nectarine compose a kaleidoscope of sunny fruit, graced with a polished texture.
