2023 CHARDONNAY

This lithe and lifted Chardonnay is our ideal white wine. The 2023 vintage opens with delicate citrus, white tea, and white florals on the nose. Polished acidity leads into wisps of oyster shells and seafoam complexity. A subtle yet inviting profile of passionfruit, orange blossom, and lime leaf brighten and complete this supremely balanced wine.

Composition: 100% Chardonnay

Élevage: 10 months in neutral French Oak, plus 2
months in stainless steel barrels

Cases produced: 122
